### **Absentee Ballot Drop Off Plan General Election 2020**

In compliance with Executive Order 202.61, voters in Lewis County may drop off completed absentee ballots, at any time during business hours, at our central office.

There is a drop box located outside of our office, which is secured and will be checked several times a day, seven days a week.

There will be drop-off bag available at our polling site for Early Voting during the hours of operation and at all poll sites on Election Day. They will be sealed and secured to prevent tampering; and inspectors are trained how to assist voters dropping off their ballot.

We ask when dropping off your ballot, to please wear a mask and adhere to social distancing guidelines.
