Application for a Town of New Bremen Site Plan Review and Zoning Permit

INSTRUCTIONS

Permits are available at the Town Clerks Office for the town you are building in, or at the Lewis County Building Codes Office.

Please fill in all of the information requested on the permit that pertains to your project.

If you have questions or need help, please call the Lewis County Codes Office.

You will need an approved Town of New Bremen Land Use Permit (from this office) in order to obtain a Lewis County Building Permit (for the structure).

The landowners name and address should also be on the permit if different from the applicants.

Location of development is the address of the location being developed or where the building is going. Please use the new 4 or 5 digit number assigned to your location by the Lewis County 911 Data Processing Office. If you don't know your 4 or 5 digit number, call 315-376-5294.

Please provide the correct Tax ID number from your tax bill: it will look like: 348.00-01-02.300

Please provide a complete description of your project.

An accurate and complete plot plan is required as explained on the application; applications will not be processed without a completed plot plan. Plot plan example attached.

Driveways may be subject to regulation, applicant is responsible to contact entity that controls Right of Way prior to installation.

ARTICLE IV. PROCEDURES

Section 410 General

Any person, before undertaking any new land use activity at any location within the town for which this law requires site plan review, shall submit a site plan together with appropriate supporting data to the Town Board for Review and approval in accordance with the standards and procedures set forth in this law. Upon the Town Board's approval and granting of a zoning permit, all conditions and restrictions imposed upon the site plan approval must be met in connection with the issuance of a zoning permit by the Town Board.

Section 420 Application for Site Plan Review

To apply for site plan review and zoning permit, an applicant shall complete a site plan application form and file it with the Town Clerk together with the application fee, as determined by resolution of the Town Board.

Section 430 Site Plan Submission Requirements

The site plan submitted for review and supporting documentation shall include the following information, as well as other information that may be requested by the Town Board:

- a. Title of a site plan, including name and address of applicant and person responsible for preparing such drawing.
- b. North arrow, scale and date.
- c. Boundaries of property plotted to scale.
- d. Location, size, and existing use of buildings on premises.
- e. Location and ownership identification of all adjacent lands as shown on the latest tax records.
- f. Location, name, and width of existing adjacent roads.
- g. Location, width, and identification of all existing and proposed rights-of-way, easements, setbacks, internal roads, reservations, and areas dedicated to public use on or adjoining the property.
- h. Grading and drainage plan, showing existing and proposed contours and water courses.
- i. Location, type of construction and exterior dimensions of all buildings and mobile home sites.
- j. Identification of the amount of gross floor area proposed for commercial/industrial facilities.
- k. Location, type of construction, and area of all parking and truck loading areas, showing access and egress.
- l. Provision for pedestrian access, including public and private sidewalks, if applicable.
- m. Location of outdoor storage, if any.
- n. Location and construction materials of all existing or proposed site improvements including drains, culverts, retaining walls and fences.
- o. Description of the method of sewage disposal and the location of such facilities.

- p. Description of the method of securing water, location of such facilities, and approximate quantity of water required.
- q. Location of fire lanes and other emergency zones, including the location of fire hydrants, if required.
- r. Location, design, and construction materials of all energy generation and distribution facilities, including electrical, gas, and solar energy.
- s. Location, size, design and type of construction of all proposed permanent signs.

- x. Estimated project construction schedule.
- y. Other elements integral to the proposed development as may be specified by the Town Board.

Section 440 Specifications of Materials to be Submitted

- a. Site Plan Map: The site plan map shall be drawn at a scale of one hundred (100) feet to one inch or larger and shall show existing topography at a contour interval of not more than five (5) feet. This map shall show the site area and any pertinent natural features that may affect the proposed use such as watercourses, swamps, wetlands, wooded areas, areas subject to flooding, etc.
- b. Site Plan: The site plan for the proposed development shall be drawn to a scale of one hundred (100) feet to one inch or larger.
- c. Elevations and/or Sections: Elevations and/or sections, illustrating front, rear, and side profiles drawn to the same or smaller/larger scale as the site plan, may be required by the Town Board. The elevation and/or sections shall clearly delineate the bulk and height of all buildings and other permanent structures included in the proposal, including the dimensions and height of any proposed signs.
- d. Engineering Plans: The Town Board may require, as appropriate, engineering plans to illustrate and describe such development aspects as: road improvements, drainage system, grading plan, public or private utility systems, sewer and water facilities, and such other supporting data as may be necessary.

Section 450 Acceptance of Site Plan Review Application

The Town Board shall determine whether to accept the application as complete and begin the review process, or to reject the application as incomplete. Incomplete applications shall be returned to the applicant, without prejudice, with a letter stating the application deficiencies.

Town of New Bremen has established the following fee schedule for Site Plan Reviews
