LCPT is Digital!

LCPT has a number of digital tools available to help you plan trips, get directions, and keep updated on upcoming events, cancellations, or route changes.

Google Transit Planner

LCPT data is now available on Google Maps. Simply open the Google Maps app, enter your origin and destination information, and choose the transit icon among the travel options. Based on the origin and destination entered, your map will include fare information, route information, and several day/time options for you to choose from.

Stay Up To Date

Like us on Facebook at @rideLCPT to stay up to date on route cancellations and upcoming events.

LCPT also offers text alerts that keep riders informed of route changes and other news in real time. To sign up for text alerts, text “EZWWI43238 Please add me to your text alerts!” to 797979. A confirmation text will be sent to you. If you do not receive this confirmation text message, please e-mail Robert Bucci at robertbucci@lewiscounty.ny.gov.

Dial-A-Ride Service

Curb-to-curb public transportation service is available Monday–Friday, 6:30 a.m.–4:30 p.m. with a minimum of 24-hour advance notice. All requests must be received by 2 p.m. the day prior and confirmed by Birnie Bus personnel. At the time of confirmation, you will be informed of your bus's estimated arrival time.

Be ready for your ride: Birnie Bus staff will assign you an estimated pickup time. The Dial-A-Ride bus might pick you up 10 minutes before or after the assigned time. Drivers will not wait more than two minutes for any rider, and are instructed to continue on their regular route if the pickup is not completed within two minutes.

Dial-A-Ride fares are two times greater than the regular fare for that particular ride. For more information or to make a Dial-A-Ride request, call the Birnie Bus Lowville terminal at 315-376-6508. If scheduling a ride, please provide your name, pickup address, phone number and any applicable special needs.
Fixed Route System

The Lewis County Public Transportation (LCPT) system offers residents and visitors seven fixed-route options year round, Monday–Friday, excluding Memorial Day, July 4th, Labor Day, Thanksgiving, the day after Thanksgiving, Christmas Day and New Year’s Day.

If you want a ride but are too far from a bus stop, we can deviate from our fixed route system up to three-quarters of a mile. Additionally, our Americans with Disabilities Act (ADA) service area includes areas within three-quarters of a mile on either side of an LCPT route. If possible, LCPT will travel beyond the ADA service area to fit your needs.

To schedule a pickup for a location along our route or learn more about our ADA service area, call the Binnie Bus Service, Inc. terminal at 315-376-6508.
